We declare, we confirm, we certify and we sign that we received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from 3 Reviewers and the Assistant Editor for our paper "Reliability and sensitivity analyses of structures related to Eurocodes" with two Authors: Zdeněk Kala and Abayomi Omishore.

We would like to thank all the reviewers and for the editor's comments concerning our manuscript. We revised the manuscript with attention to the comments that we received from 3 reviewers. These comments are all very valuable and helpful for revising and improving our paper as well as the important guiding of significance to our studies. We have read comments carefully and have made corresponding corrections. Our responses are marked in yellow (for the first reviewer), in green (for the second reviewer), in cyan (for third reviewer). Thanks again to the 3 reviewers who are experts, specialists in the area of our article.

We declare, we confirm, we certify and we sign that also that no reviewer, no Associate-Editor, no Editor-in-Chief, no member of the NAUN Secretariat, nobody whatsoever and never forced us in this journal to add references (citations) to any previous publications of the journal. We declare, we confirm, we certify and we sign that we have made all the changes, modifications, additions, studies, corrections asked by the reviewers and we have fully complied with their instructions. We also understand that before the publication the 3 reviewers will check our article to see if all the changes, modifications, additions, studies, corrections etc have been done and we authorize the NAUN to publish our paper or to reject our paper even in the 2nd round of peer review or to continue with an additional round of peer review.

Thank you very much for the time spent in considering our article for publication in the International Journal of Mechanics.

Date: July 10, 2022
